SENATOR-PENROSE IS AGAIN IN ERUPTION

Wants United States Troops Placed In Mexico
To Protect American Lives and Property.
Also Asks Twenty-Five Million Dollar
Appropriation For Protection.

[By Associated Press.]

Washington, Aug. 21.—Senator Penrose today introduced a resolution requiring President Wilson to take the necessary steps to place United States troops in Mexico to protect American lives and property, such step to be decreed by the Senate as in no way an unfriendly act toward Mexico. Senator Penrose also introduced an amendment to the deficiency bill for a \$25,000,000 appropriation to be expended as the president may direct for American protection in Mexico. The resolution went over one day under the senate rules, and Senator Penrose asked that the appropriation amendment be acted upon when the deficiency bill comes over from the house. It is similar to an appropriation act made just before the Spanish-American war.

President Has Support of People.

[By Associated Press.]

Washington, Aug. 21.—Following the introduction of the Penrose resolution, a concerted effort by both Republicans and Democrats to support President Wilson in his Mexican policy and carry to the world the definite assurance that he has the support of the American people, became apparent. This was plainly an answer to the reports in which President

Huerta contends the president has divided congress and the people. Senator Fall was the only Republican not joining in the declaration of confidence in President Wilson. The administration officials believe John Lind's negotiations with President Huerta now are deadlocked, President Huerta demanding recognition which President Wilson emphatically refuses.

Congressman Claimed Life Was Threatened.

[By Associated Press.]

Washington, Aug. 21.—Representative Johnson of Kentucky told the lobby investigation committee today that his efforts in behalf of the Federal loan shark law were marked with daily threats against his life, and he introduced the affidavit of a former capitol policeman who swore that another former policeman followed Congressman Johnson three nights to kill him.

DEATH OF MRS. A. W. SHEALEY

Reliance Community Loses One of its
Best and Purest Christian
Women.

Mrs. A. W. Shealey died at her home in the Reliance community this morning at 7:30 o'clock after a long illness, and in her death the community lost one of its very best women. When the news of her death was learned through the community there was not one single heart among all her acquaintances that was not touched with pangs of genuine sorrow.

Mrs. Shealey was sixty years of age, a native of Georgia, and with her husband came to Brazos county many years ago and made her home in the Reliance community, where she spent the maturer years of her life and where her children were raised. Her husband preceded her several years ago, and after his death she bore the burdens alone and reared her children to honorable, upright manhood and womanhood.

She was a member of the Missionary Baptist Church at Reliance and was a consistent, consecrated Christian. During her much suffering and long illness she was soothed and sustained by an unflinching trust in God, which wrought in her heart that peace which passeth all understanding. Her life was filled with good deeds, and now that she rests from her labors, her children rise up and call her blessed.

She is survived by four children, viz: Charles, Will, Tom and Miss Es-

sie Shealey, all of Reliance. The children and other relatives have the deep sympathy of the entire community in their great bereavement. The funeral will be held tomorrow morning at 10 o'clock at Reliance church cemetery, Rev. J. M. Bullock, her pastor, conducting the funeral services.
